1 Please refer to stocking list at reynobond.com for stocking size availability. Minimum quantities may be required for 4MM FR production.
2 The appearance of Anodized and Brushed Aluminum finishes may vary with lot of production.
3 Available material stocked in mill finish and anodized to order.

Slight variations in color, gloss and texture can occur between different paint production batches. Paint variations within a specific color, especially for mica and metallic colors, can and do occur that are visible to the human eye, but are within industry tolerances.
